download music **(mp3) (flac)** story **(txt) (html)**

Good Sky is a short story with a soundtrack. The story depicts true innocence and love of pleasure. The soundtrack depicts love of beeps (it's chiptune).

If this was enjoyable, take a peek at **Vocal Marole**, my earlier (abandoned) attempt at combining a story with music.

The album art was created by Johnny Panic, famous all across the internet for **his webcomic, Floatillion**.
